176	\$50	\$20	A Night in Paris Dinner
-----	------	------	--------------------------------

6 available.

Step into a cozy Parisian evening without ever leaving home! Join me, Sue Carrillo, for an intimate French bistro-style dinner. Twinkling lights, warm conversation, and a menu inspired by the heart of France will make this a night to remember.

A crisp salade verte with Dijon vinaigrette sets the stage for the main event: coq au vin, the quintessential French chicken braised in red wine, served alongside colorful ratatouille and fresh baguette with French butter.

For dessert, indulge in not one but two classics - airy chocolate mousse topped with whipped cream and a rustic apple tarte Tatin, caramelized to perfection. Red and sparkling wines will be served, with a sparkling apple-pomegranate mocktail option available.

108	\$100	\$35	Individual Tarot Card Reading
-----	-------	------	--------------------------------------

4 available.

The Tarot is like a map. It will show you the topography you must go through to get from point A to point B. What vehicle do you use, and what roads do you choose to get to your destination using your free will and choice. The Tarot can give you insight into your best options under the current circumstances.

In this hour and a half reading, I will use my psychic abilities and 50+ years of experience in tarot reading and spiritual consulting, to help you understand the terrain you are going through; some areas you can avoid, and with those mountain ranges or rivers, you simply have to cross, which route would be the easiest and safest.

Just as with a map, you still have to choose the roads to take to reach your destination. Similarly, if you prepare for any trip, it will go more smoothly. Think of the Tarot as your guide, and it will serve you well.

Keep in mind, we are spirit in human bodies, and we live in both realms so with my many years of experience in business, the medical profession, and life coaching I can give you the practical information and guidance you need to get to your destination, with the least effort and easiest roads, as mapped by the Tarot.

- Quantity: 4
- Multiple Winners Allowed! A bidder can bid for a max of 1 seats or items.

Since then, MOM's has grown to become one of the nation's premier chains of organic grocery stores, operating in DC, Maryland, New Jersey, Pennsylvania, Virginia, New York, and Massachusetts.
