Awesome Autumn Abundance

Affirmative Prayer

Grounded in my knowing of the unlimited Good that God is, I open my mind, my heart, and my whole being to receive Awesome Autumn Abundance. I realize this Good may demonstrate in expected and unexpected ways, and I am alert to seeing blessings in every situation of my life.

I joyfully share my good with Unity of Fairfax, and hold the vision of everyone being as blessed as I am. There is more than enough Good for everyone to prosper without the need to grasp, cling, or hoard. There is more than enough Good to manifest as peace, abundance, and respect for all creation. There is more than enough Good.

There is more than enough God.

With unshakeable faith, I declare this affirmative prayer through the power of the Indwelling Christ.

Amen, and so it is!
